

About Fashion Incubation Programme (FIP)

Part of the new fashion initiative launched by the HKSAR government in July 2015 which aims to develop Hong Kong as an energetic Pan-Asia fashion development hub with international traction, fully supported and funded by CreateHK of Hong Kong SAR Government and managed by Hong Kong Design Centre (HKDC), the Fashion Incubation Programme (FIP) will be the new development platform for high potential fashion talents.

Conceived as a business booster, the FIP will select 15 talents over three years empowering them through an innovative 2 years' program to progressively scale and grow their fashion-related business locally, regionally and globally. As a 360-degree growth generator, the FIP will aggregate cutting edge resources, experimental tools and bold expert guidance to support a new generation of creative leaders and give them the confidence and the edge to think and manage the next.

The FIP Mission

The FIP is dedicated to promote and explore opportunities for the new generation of Hong Kong creative fashion talents and entrepreneurs, and connect them with business partners around the world. Our mission is to develop potential Hong Kong fashion designers and brands towards international fashion stage.

The FIP Objectives

The FIP will provide a creative professional environment to foster promising fashion talents by nurturing them to expand their creative boundaries through collaborative project, and provide a platform to be more business-conscious by driving the development of new business opportunities through sharing the latest trends in fashion design, brands & business, retail market, innovation and technology, which can foster the improvement of the local creative economy and the position of Hong Kong in a global context.

Are you eligible to apply?

Open to 5 fashion-related start-ups per year (or 15 over 3 years), the FIP welcomes enthusiastic talents with the mandatory admission criteria listed below:

- **Launched up to 2 collections with a strong proof of concept**
- **Demonstrated record of creative and business achievements / awards**
- **A ready to develop “next big idea” project to be completed during the 2 years’ programme**
- **A strong energy, vision and business acumen**
- **Special creative or technical skills**

Reasons to Join the FIP

Each incubatee will receive the following support services and financial resources provided by HKDC under the FIP. HKDC reserves the right to alter or substitute the support services and financial resources at any time without prior notice in its sole discretion.

A) Studio Space

Each incubatee is provided with ready-to-use office or space (not more than 300 square feet) at the Clothing Industry Training Authority (CITA) Kowloon Bay Training Centre which is free rental during the 2 years incubation period. Management fee, government rents and rates, utilities, internet charges are inclusive and free of charge. The incubatee is entitled to the use of services and common facilities such as meeting rooms, and the specified office and telecommunication equipment free of charge.

B) Co-creation Projects and Collaboration

The FIP will provide the incubatee with financial support for kick starting co-creation or collaboration project as project fund. The project fund is claimable by each incubatee according to the project details.

C) Fashion Marketing and Promotion Support

The FIP will provide each incubatee with various fashion marketing and promotion support, including but not limited to media interviews, marketing, branding support, etc. during the 2 years incubation period.

D) Entrepreneurship Empowerment, Training and Mentorship

To empower our incubatees, the FIP will organize all-around mentoring and training, comprising a series of one-one sessions and group sharing, ranging from entrepreneurial guidance to personal branding and wellbeing through clinics, legal and intellectual property consultation, etc. The empowerment programme aims to enhance the business performance, investability and network development with authentic creative leaders of the incubatees.

E) Fashion and Tech Intelligences

The FIP will facilitate each incubatee to access to fashion and tech intelligences, e.g. resource centre, material library and online database, etc. The FIP will help the incubatees to embrace new directions by allowing them to be inspired with the latest insights and trends, experiment a series of cutting-edge technologies and industrial production facilities, link up and develop partnerships with advanced labs, suppliers, retailers, etc.
